Effective January 1, 2009, state law requires that all businesses that make sales subject to sales tax must include a No Tax Due statement from the Missouri Department of Revenue (<http://dor.mo.gov>) with their application stating that the applicant does not owe any state sales or income taxes. The City of Boonville is required to check the status of paid taxes. Any business that cannot provide a No Tax Due statement will be denied a business license until said statement can be provided. This requirement is in addition to the state law requiring that we verify that proper Workman’s Compensation Insurance coverage is in place for each license.

Your prompt attention to this matter is appreciated. If you should have any questions or need further information concerning this licensing procedure, please feel free to call City Hall at (660) 882-2332.

Sincerely,

Brenda O’Bryan
